

WESLEY AND METHODIST STUDIES

GEORDAN HAMMOND AND CLIVE NORRIS, EDITORS

Wesley and Methodist Studies publishes peer-reviewed articles that examine the life and work of John and Charles Wesley, their contemporaries (proponents or opponents) in the eighteenth-century Evangelical Revival, their historical and theological antecedents, their successors in the Wesleyan tradition, and studies of the Wesleyan and Evangelical traditions today. Its primary historical scope is the eighteenth century to the present; however, *WMS* publishes articles that explore the historical and theological antecedents of the Wesleys (including work on Samuel and Susanna Wesley), Methodism, and the Evangelical Revival. *WMS* has a dual and broad focus on both history and theology. Its aim is to present significant scholarly contributions that shed light on historical and theological understandings of Methodism broadly conceived. Articles within the thematic scope of *WMS* from the disciplinary perspectives of literature, philosophy, education and cognate disciplines are welcome.
